EXAMINER'S COMMENTS

Request for Continued Examination

1. The request filed on 3/25/2004 for a Continued Examination (RCE) under 37 CFR 1.114 based on parent Application No. 09/530,394 is acceptable and a CPA has been established. An action on the CPA is attached.

Examiner's Amendment

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Scott Servilla on 5/12/2004.

3. The application has been amended as follows:

In claim 10 line 1, the number "1" has been replaced with the number - - 6 - -.

Response to Arguments

4. Applicant's arguments filed 3/25/2004 have been fully considered and are persuasive.

Reasons for Allowance

5. The following is an examiner's statement of reasons for allowance: the prior art could not alone or in combination anticipate or make obvious a method or apparatus for binding wire around an object in which wire is fed by a feed member from a supply to the object and a measuring means is used to measure the wire, the measuring means being separate from the feed member and downstream from the feed member.

The most pertinent prior art, JONSSON, discloses an apparatus for binding wire around an object, but in JONSSON the measuring device and the wire feed member are not separate.

In MATHEY, NELSON ET AL, and PETERSEN, a separate measuring device is disclosed but in all three references, the wire to be measured is pulled by a feed member downstream from the measuring device, rather than the measuring device being downstream from the feed member, as is claimed in the instant application.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Art Unit: 3721
